Where Idaho Students Win

SEPTEMBER  
4 - 6

2008

### The Governor's Cup Scholarship

The Governor's Cup Scholarship is available to high school and home school seniors throughout Idaho. All proceeds from this historic program. By participating in these events, you're giving Idaho students the opportunity to further their education in Idaho. We need to keep Idaho's brightest students here, in our own fine colleges and universities, so their talents will benefit all of Idaho.

"Thank you very much for the honor of receiving the Governor's Cup Scholarship. I am very grateful for this recognition, and will continue to live up to your expectations."

-Valerie Pantone, Scholarship Recipient from Shoshone, Idaho

For over 100 years, the Treasure Valley Family YMCA has been providing youth with lasting memories in our resident camping programs in McCall. Amidst the beauty of nature, Y Camp has always promoted our core values of caring, honesty, respect and responsibility.

We are now entering into an exciting new era with the opening of Y Camp: Horsethief Reservoir in the summer of 2009. Only occasionally in the past 50 years has a new Y camp been built in the United States, and we now have the unique opportunity to build a world class Y camp in the mountains of Idaho.

Please explore our new website and discover the exciting changes in store for the youth and families of the Treasure Valley and beyond.

## Y Camp: positively the best way to change someone's life

### our mission

We provide the opportunity for all people to improve themselves by developing relationships that deepen involvement with one another through participation in character building activities in natural environments.

# Respecting NATURE is in our nature.

Where does responsible mining  
begin? At Monsanto, it begins with  
respecting the quality of the environment  
and the health of natural ecosystems.

That's why we take  
steps before, during and  
after mining to reach our  
goal of leaving the land even better  
than we found it. These steps include taking inventory of  
the current ecosystem, cataloging endangered species, monitoring  
fisheries and groundwater, and much more. In fact, we don't  
begin mining unless we can ensure every safeguard is in  
place to respect the environment. And if they're not?  
Then we don't mine. Simple as that.

For more information about Monsanto,  
call 208-547-4300 or  
email [p4info@monsanto.com](mailto:p4info@monsanto.com)

Mindful Mining

... at its best

**Mike Vice, Senior Mine Reclamationist at Monsanto and winner of Idaho's award for Outstanding Mine Reclamation.**

Mike keeps Monsanto on the cutting edge of land restoration, setting a standard that goes beyond government regulations – not because we have to, but because it's the right thing to do. It's because of the talent and dedication of employees like Mike that Monsanto can realize our goal of restoring land and wildlife to its original state, or better.

For more information about Monsanto, call 208.547.4300  
or e-mail [p4info@monsanto.com](mailto:p4info@monsanto.com)

# Cleanup and Total Restoration

At Cleanup and Total Restoration, we are committed to taking care of our customers' needs in a time of personal unrest. Our team of highly trained and certified specialists will guide you through the entire restoration and rebuilding process, minimizing the disruption to your daily life and returning it to normal as quickly as possible.

# Lifting Spirits. Saving Lives.

Life Flight is more than just an emergency transport service. We're your connection to the region's most experienced and advanced trauma team.

When Life Flight responds, we bring the experience and skill of our trauma surgeons, emergency physicians and a broad range of specialists who help guide your care during transport and prepare for your arrival.

Your investment in a Life Flight membership means you or your family will not incur expenses for medically necessary flights. When seconds count and experience matters, ask for the most experienced trauma team. Ask for Saint Alphonse Life Flight.
